Women in Mathematics

Empower young women mathematicians!

(Open to LA, MA, BA, PhD and more !)

First meeting:

Monday 22 April at 6pm, room M 201

Join us to share your math interests and to connect. The goal of Women in Mathematics is to bridge the gender gap in academia, and thus everyone is welcome!

Program:

· presentation of the group
· get to know each other
· share a dinner together
 (Order a pizza with us or bring your own dinner)
